Association**

MISSION STATEMENT

PWLA brings diverse business women together to offer opportunities for networking, business information/education and support to women through mentoring and scholarships.

Interested? Then the Professional Women's Leadership Association of Fuquay-Varina is for you. The Fuquay-Varina Area Chamber of Commerce has created a group for professional women. Any woman working for a business which is a member of any surrounding area Chamber of Commerce is eligible to join this association.

Extend Your Network

Become a member of PWLA and you surround yourself with successful women. PWLA will provide quarterly opportunities to build relationships with fellow professional members.

Raise the Bar through Programming

At the quarterly events, speakers will encourage, educate, and engage members of PWLA. The topics will be decided by the membership.

Elevate Your Visibility

PWLA will recognize your contribution to the community and the Fuquay-Varina Area Chamber of Commerce by awarding a Professional Woman of the Year honor at the Chamber's annual banquet.

Giving Back

PWLA has created various scholarship programs for students attending Wake Tech Community College and Fuquay-Varina High Schools with the intention of obtaining a higher education. A significant portion of the membership dues fund the scholarships.

Lend a Hand, Touch a Life

While personal accomplishments are incredibly rewarding, it is often equally fulfilling to help others realize their dreams. PWLA provides a variety of roles that enable you to inspire and support.

The goals of PWLA are accomplished by the work of its various committees, which include: Membership, Programs, Scholarship, Communications and Financial. It's an easy way to build relationships with women in the business community. Join a committee and get involved.
